this title addresses contemporary psalm singing and is intended to help church musicians it takes a look at the use of psalms in worship beginning with a historical survey including the gregorian chant it also provides practical examples for the modern church

this is the fourth book in the series of books about christian worship by this author whereas the previous three books have been 98 based on scripture this book contains a mixture of biblical principles and practical skills for leading worship this book will benefit every person involved in their church s worship ministry it is also advised that every senior or

lead pastor read this book so they will be able from a position of knowledge to encourage their volunteer worship leaders the biblical based portion of this book describes how to know whether god has called you into worship ministry the history of biblical worship and how your church s worship should look if you want to follow the biblical model of worship the practical portions of this book introduce the various musical skills necessary for everyone involved in worship ministry

in music in ancient judaism and early christianity john arthur smith presents the first full length study of music among the ancient israelites the ancient jews and the early christians in the mediterranean lands during the period from 1000 bce to 400 ce he considers the physical religious and social setting of the music and how the music was performed the extent to which early christian music may have retained elements of the musical tradition of judaism is also considered after reviewing the subject s historical setting and describing the main sources the author discusses music at the jerusalem temple and in a variety of spheres of jewish life away from it his subsequent discussion of early christian music covers music in private devotion monasticism the eucharist and gnostic literature he concludes with an examination of the question of the relationship between jewish and early christian music and a consideration of the musical environments that are likely to have influenced the formation of the earliest christian chant the scant remains of notated music from the period are discussed and placed in their respective contexts the numerous sources that are the foundation of the book are evaluated objectively and critically in the light of modern scholarship due attention is given to where their limitations lie and to what they cannot tell us as well as to what they can the book serves as a reliable introduction as well as being an invaluable guide through one of the most complex periods of music history

music can either connect you to god or drive you to the devil god created the human race to enjoy music and to make music and through music the world has been dramatically changed for good and for evil in this fascinating book michael l brown takes the reader on a journey through the history of music from classical to rock and from hip hop to gospel showing just how transformative music has been and how much god wants to use it to change the world again brown contends that it is time for all christians to make a concerted effort to recover the potential of anointed music and song in our assemblies and in society in our services and on the streets in studios and in schools the counterculture revolution of the 1960s only succeeded with the help of satanically inspired music and mind altering drugs could it be that today s jesus revolution can only succeed with the

help of spirit inspired music and a life altering encounter with god what else will produce the necessary change in our perspective after reading this book believers will never again listen to music the same they will finally understand its power and divine origin but more importantly they will know how god wants to use it to usher in a global outpouring that will change the world forever this book will show you how music can either indoctrinate or educate you spark rebellion or patriotism and drive you to the devil or draw you closer to god this book will stir up musicians artists and worshippers everywhere to dive deeper into an appreciation and adoration of the one himself who created sounds songs and melodies becah shae dove award nominated singer songwriter musicians and non musicians alike will be inspired by the powerful ways god intends to use music in today s end time drama bob sorge author of exploring worship a practical guide to praise and worship dr brown has written a must read for all musicians singers and songwriters who desire to harness the power of music to glorify jesus change the atmosphere and release heaven s sound on the earth kelanie gloeckler worship leader and songwriter executive director of access worship international

this collection of essays in honour of professor robert davidson celebrates a number of notable achievements of this outstanding scottish churchman and scholar it is published for the occasion of his sixty fifth birthday but it also marks his retirement from full time university teaching and nods in the direction of his having been the moderator of the general assembly of the church of scotland 1990 91 the guiding principle governing this collection of essays is the notion of the bible as the generator of other texts and cultural productions the contributors are drawn from davidson s wide range of colleagues and former students and focus on many different aspects of this generative force within the bible itself and in materials related to it contributors include a g auld j m g barclay e best j c l gibson w johnstone h a mckay j k riches and the editor among others

worship and music have been intimately connected since biblical times yet music in worship has become a point of contention a great chasm separating the young and the not so young the conservative and the liberal and quite possibly the members of the church you attend is there a solution to this ongoing battle are there really certain styles of music that are good and others that are bad how are we to honor god with our diverse musical tastes and talents lilianne doukhan takes on this sensitive issue with a remarkable combination of finesse and refreshing candor building upon the foundation of what music is and what it is not she explores the experience and meaning of music its history down through the centuries the current challenges of music ministry and the genuine role of

music as a component of worship book jacket

readers will be inspired by this artful cover designed by the iconic hatch show print as they read scripture

artists will find this assessment of the industry honest challenging and motivating charlie peacock steve green margaret becker and other professionals encourage readers to develop their craft to uplift people and glorify god

for over forty years leland ryken has championed and modeled a christian liberal arts education his scholarship and commitment to integrating faith with learning in the classroom have influenced thousands of students who have sat under his winsome teaching published in honor of professor ryken and presented on the occasion of his retirement from wheaton college this compilation carries on his legacy of applying a christian liberal arts education to all areas of life five sections explore the background of a christian liberal arts education its theological basis habits and virtues differing approaches and ultimate aims contributors including philip ryken jeffrey davis duane litfin john walford alan jacobs and jim wilhoit analyze liberal arts as they relate to the disciplines the christian faith and the world also included are a transcript of a well known 1984 chapel talk delivered by leland ryken on the student s calling and practical chapters on how to read write and speak well comprehensive in scope this substantial volume will be a helpful guide to anyone involved in higher education as well as to students pastors and leaders looking for resources on the importance of faith in learning
